

Don't Overthink It (“DO IT”) Hackathon

Sponsorship Guide

May 17-19, 2024

DON'T
OVER
THINK IT

Launching the First-Ever DO. IT Hackathon in Newfoundland and Labrador!

In the spirit of innovation that courses through the veins of Newfoundland and Labrador, we're thrilled to introduce the inaugural DO. IT (Don't Overthink It) Hackathon - a groundbreaking event brought to life by Sister and Brother duo Madison Emshey and Mitchell Hynes.

It's not just an event; it's a movement towards **simplification**, a **rebellion** against the over-complication of technology, and a **call to arms** for those who dare to build, tinker, and create.

How do we DO. IT differently?

DO. IT is a free-form hackathon, meaning **there is no prompt**. Participants are encouraged to build whatever they want over the course of the weekend.

The event is **free of charge** and open to all skill levels. The only requirement is a desire to build something awesome. This hackathon strips away the fluff, encouraging participants to dive headfirst into building real solutions to real problems. The tech world is brimming with talkers. No more wasting time on the sidelines, discussing the potential of tech's impact. It's time to **make stuff**.

Are you ready to make a difference?

We're looking for partners to help keep the event free of charge by providing meals, funding for swag, judges, and mentors.

DON'T EVER
THINK IT

What's on the agenda?

DO. IT Hackathon offers a unique blend of scrappy innovation and practical problem-solving. Participants are encouraged to leverage or gain knowledge of coding, supported by Canada Learning Code, to build projects that not only solve problems but also captivate and inspire.

- **In-depth Workshops and Mentorship:** Benefit from workshops led by experts, offering both foundational and advanced coding lessons.

With interactive workshops led by

GET
CODING

- **Community and Collaboration:** Work alongside like-minded individuals passionate about making a tangible difference.

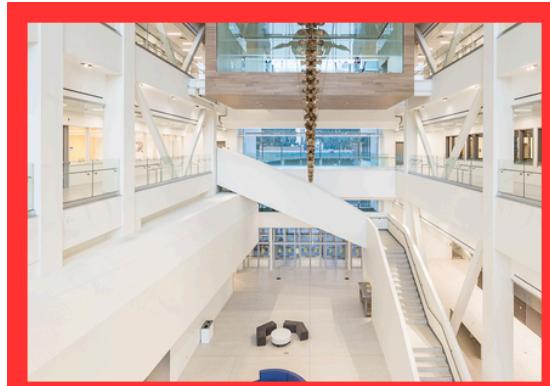

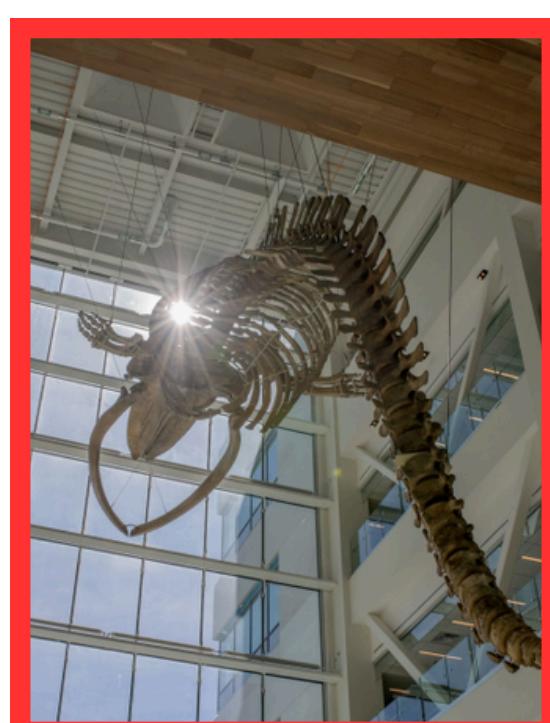

Venue

Core Science Facility

May 17th 2024

Friday 6:00pm - 11pm
Saturday 9:00am - 11pm
Sunday 9:00am - 11pm

Your Sponsorship Perks

Joining DO. IT as a sponsor means more than just logo placement. It's about becoming part of a movement that values action over words. Your support empowers a diverse group of problem-solvers, ready to dive into the tech scene with fresh ideas.

Your Benefits Include

- Enriching the Talent Pipeline:** Connect with passionate individuals across various disciplines, ready to bring new perspectives to your team.
- Engage the Community:** Show your commitment to fostering innovation and support the growth of Newfoundland and Labrador's tech ecosystem.
